

## **The Macallan Easter Elchies**

**52.3%**

This is like a blast from the past, with much in common with the sherried Cask Strength of old, and a welcome treat for any fan of the big, sherried Macallans. All the red berry and blood orange notes are present on the nose, along with cocoa and a dusty smokiness. The palate is full, velvety and chewy, with Christmas cake, oranges, and some nuttiness. Nutmeg and cinnamon fill out the mouth feel, before a long and classic sherried finish.
