

Glenfarclas 175th Anniversary

43%

First things first — congratulations to the Grants of Glenfarclas on attaining their 175th anniversary.

To celebrate, they have vatted together a cask from 1952 with one each from the following five decades — and released it at an exceptionally reasonable price! The nose has a lift of struck match immediately followed by cedar, pomegranate, blackberry jam, and Seville orange. There's a thick caramel toffee sweetness to the palate alongside the classic 'Farclas depth where dried, but sweet, fruits repose.
