

Auchentoshan 1998

54.6%

This 1998 vintage triple distilled Lowland Auchentoshan has been matured in fino sherry casks, which are rarely used for Scotch whisky maturation. The nose presents violets in fresh soil, honey, spice, developing citric fruit notes, and almonds. Quite full-bodied, fruity and zesty in the mouth. Lengthy in the finish, with spice, nuts, and oak. Becoming dry and gingery at the last.
