## **Inverleven**

**Chivas Brothers, Deoch an Doras bottling, 36 year old, 48.5%**

This veteran Lowland Inverleven — distilled within the now decommissioned Dumbarton grain distillery complex — is a recent addition to Chivas Brothers' Cask Strength Edition series, and is exclusively available at distillery visitor centers and from [www.maltwhiskydistilleries.com](http://www.maltwhiskydistilleries.com). The nose is creamy, gentle, and sweet, with vanilla, rum raisin ice cream, and a subtle, contrasting peppery note. Mouth-coating, with citrus fruits and slowly developing dark chocolate, which lingers through the long and gingery finish. (500 bottles). Currently not available in the U.S. £275
