

Hazelburn CV

46%

Hazelburn CV is the non-age-statement version of Springbank's unpeated, triple distilled single malt, introduced in 2010 to accompany the existing 8 and 12 year old variants. Initially slightly mashy and herbal on the nose, with acetone and cigarette packets. Citric and more malty with time. Orange, ginger, vanilla, and sherbet zest on the spicy palate. The finish is medium in length and spicy, with a slight suggestion of salt. A fresh, breezy, aperitif dram. £33 (Not available in the U.S.)
