

Forty Creek Barrel Select

40%

Consisting of whiskies aged between 6 to 10 years, with a similar grain component as a bourbon (but distilled differently) and finished in sherry casks for six months. Barrel Select is a soft, silky, somewhat feminine whiskey when compared to bourbon, with gently sweet notes of creamy vanilla, honeyed apricot, toasted nuts, and gentle background tropical fruit and spice. A whisky that really transcends category and definition.
