

Aberfeldy 14 year old Single Cask

58.1%

Single cask Aberfeldy bottlings are very few and far between, and this is a stunner! After hogshead maturation the whisky ultimately underwent a period of finishing in an ex-sherry cask prior to bottling. The nose offers sultanas, raisins, and hot chocolate. Developing vanilla and a hint of over-ripe bananas. Finally, burnt sugar and caramel. Insinuating and syrupy on the palate, with apricots, dried fruits, honey, and sherry. Gently spicy and warming, with licorice in the notably long finish. £115
