

## **Balblair 1989**

**43%**

Matured in second-fill bourbon casks, this expression of Balblair offers a distinctive aroma of bananas, along with cooking apples, sultanas, nuts, and spices.

It is full-bodied and exhibits a palate of toffee and spicy fruits, and becomes increasingly chocolate-y, with distinct cocoa notes, when given time to breathe.

Raisin notes also develop. The finish is lengthy and smooth, with lasting lively spice and vanilla.
