

The Famous Grouse Celebration

40%

Available only at the distillery or online, and limited to 5,000 special decanters, this is a special Famous Grouse release to mark the 30th anniversary of the blend. Be careful, though: it's not a 30 year old blend. But it is excellent and there's lots of very old, woody, and ripe malt in the mix. As Highland Park and The Macallan are in the stable, expect a fruity, oaky, superbly balanced treat. £80
