

**Wemyss The Spice King
12 Year Old
40%**

The least assertive of the Wemyss 12 year old range, and the most flighty. There's nothing wrong here, and the whisky's well-made and won't disappoint, but when you compare the spice hit here with what's on offer with other malts, this isn't shouting loudly enough. £35

—Vol. 20, #4
