

**Hudson Manhattan Rye
Whiskey**

46%

Hot nose, plenty of rye spice — it is 100% rye — mint, bay leaf, sweet clove. Quite a kick, but there's good flavor behind it; more spice, oak, and a firm sweetness. The finish is quite quick, just some dry rye in the back of the mouth, and gone. Better-behaved than most Hudson whiskeys I've had; hardly mellow, but enjoyable. Price per 375 ml.
