

## **Johnnie Walker Blue Anniversary**

**60%**

Formulated to celebrate the 200th anniversary of Johnnie Walker.

This is a fabulous whisky for anyone who can spring for the bottle. It is deep, dark, and quite powerful with a hefty malt foundation and sweeter notes of toffee and vanilla combined with resinous oak, complex fruit (both bright citrus notes and darker pit fruits), crisp mint, tobacco, polished leather, and heavy peat smoke. A tour de force of a blended scotch-as big as many single malts reviewed here.
