

Arran 14 Year Old

46%

This expression from the Isle of Arran distillery appeared in 2010 and one-third of the component whiskies were matured in European oak casks while two-thirds came from American oak. Very fragrant and perfumed on the nose, with peaches, brandy, and ginger snaps, plus vanilla and mild oak. Smooth and creamy on the palate, with spicy summer fruits, apricots, and hazelnuts. The lingering finish is spicy, biscuity, and slowly drying, with just a hint of salt.

—Vol. 21, #1
