

Balblair 2001

46%

Balblair 2001 Vintage is the first distillery bottling to be non-chill filtered, noncolored, and offered at 46%. It is 10 years old and has been matured in ex-bourbon barrels. The nose offers lemonade, vanilla, allspice, and developing milk chocolate and caramel notes. Clean and straightforward on the palate; sweet and spicy, with tangerines, eating apples, toffee, and more milk chocolate. Cocoa powder in the spicy, relatively lengthy finish. £33
