

Glenmorangie 15 year old Nectar d'Or

46%

Previously offered as a 12 year old, it now has an extra three years of secondary maturation, after a decade in ex-bourbon casks. The 'finishing' casks are ex-Sauternes barriques. Lemonade, icing sugar, vanilla, nougat, and maple on the nose. Progressively sweeter. Rich and sweet on the palate, notably fruity, with spicy orange and brittle toffee. Medium length finish, with milk chocolate-coated ginger and lingering toffee.
