

**St. George's Chapter 7
Rum Finish 2011
edition**

Any lingering doubts that English whisky means business are dispelled by this whisky masterclass. This is a New Orleans show band of a whisky, bursting with vibrancy and happy, celebratory notes. The cask is all over this, with rum and raisin, milk chocolate, and mocha contributing to an all-round sweet treat. Not too sweet, though; and the malt at the center of this sings. £65
