

St. George's Founder's Reserve Cask 0005

You'll struggle to find this, as it has been snapped up quickly, but if you can, don't miss out. This whisky was originally made by Iain Henderson, is bottled at 5 years old, and marks a significant step forward for this fledgling distillery. The sappy notes have retreated and are being replaced by a wonderful sweet lemon and creamy vanilla whisky. The pinprick pepper adds a delightful dimension. £65
