

Highland Park Thor 16 year old

52.1%

Thor is the first in Highland Park's new cask strength Valhalla Collection, with a fresh expression inspired by the Nordic gods due to be released annually over the next four years. Ginger, sherry, Christmas spices, wood smoke, vanilla, and a hint of lemon on the complex, confident nose. Notably spicy in the mouth, with peaches, clotted cream, sherry, and more smoke. Long in the finish, with lots of ginger, a little aniseed, and finally, spicy peat.
