

## **Bushmills Bourbon Cask #8141**

**56.5%**

This is what the standard Bushmills Malt 10 year old should taste like. A classic Irish whiskey nose. Deliciously sweet creamy notes of vanilla, marshmallow, honey, powdered sugar, and polished oak. Faint tropical fruit notes emerge from time to time. Very clean on the palate, with a dry, bourbon-like finish. Those extra few years in wood, along with being non-chill-filtered, add richness, depth, and complexity.
