

Wild Turkey Rye

40.5%

The follow-up to 81 proof Wild Turkey bourbon—and part of a continuing trend by distillers to release versatile whiskey: reasonably priced, no age statement, that will stand out in cocktails but can be enjoyed on its own in a pinch. Very spicy, yet relatively soft in character, with suggestions of gin botanicals, dried fruits, honeyed vanilla, and teasing charred oak. Very quaffable for a rye whiskey.
