

Longrow Red

52.1%

This 11 year old bottling of Longrow from Springbank distillery was matured for seven years in refill bourbon casks before being filled into cabernet sauvignon hogsheads for a final four years. 9,000 bottles are available. The nose offers buttery smoked haddock, coal tar soap, citrus fruit, and new leather, with background notes of soft peat. Mouth coating, with rich peat on the palate, plus fruity spice and developing licorice notes. Long in the finish, with persistent peat smoke and, finally, red currants. £50
