

Brora 35 year old Special Release 2012

48.1%

Previous Broras in the Diageo Special Release series have set the bar remarkably high, and this, the eleventh such bottling, does not disappoint. The component whiskies were distilled during 1976 and 1977 and matured in refill American oak casks. The nose offers lemon and contrasting vanilla and honeycomb aromas.

Musty malt and coal in the background. The citrus and honey themes continue into the slightly earthy, peppery palate, while French mustard and coal figure in the drying finish. 1,566 bottles.

—Vol. 21, #4
