

Compass Box Oak Cross

46%

This has long been a core whisky for Compass Box, but the latest version of it is spicier and fresher than I recall, and without doubt, it's my new best friend. Virgin

French oak heads help to contribute oriental and aromatic spices on the nose, with hints of melon and pineapple candy sweets. The taste is a delight, with spearmint, soft toffee, sweet citrus fruit, lemonade mixed with beer, and strawberry wafers. An array of spices from cinnamon to chili to ginger dominate the finish.
