

**Dad's Hat Pennsylvania**

**Rye**

**45%**

Aged 6 to 7 months in quarter barrels. Sharpish, oaky nose with a sweet grain/golden syrup backing.

Spirity in the mouth, with a big slap of young oak up front that quickly subsides, yielding sweet corn muffin, white pepper, and dry cocoa that linger into the finish.

Hot, but worth the burn. Some nice components here; age and a bigger barrel could do a better job on integration.
