

Tullibardine 20 year old **43%**

This 20 year old expression of Tullibardine has been aged in first-fill bourbon barrels, like its younger stablemate Sovereign. Caramel, honey, cocoa, and a hint of linseed oil on the nose. The palate is creamy, with strawberries, warm milk chocolate, and allspice. Long and soft in the finish, which is reminiscent of choc-ice. At 20, this single malt has gained in richness and sophistication, with an extremely enticing flavor profile.
