Blended whiskies have taken a sexy turn for the better, and there have been some excellent attempts to innovate. Indeed, a gap has opened up between main label blends and this sort of thing, which is particularly brave because a world-class brand has let amateurs loose on it. That said, this is massive, with big earthy spice, peat, and sour fruits. There's some youthful sappiness in the mix, too, but it's not detrimental. Brave and impressive.
