

Glenfiddich Select Cask

40%

Another from Glenfiddich's three new solera vats, here we can see the distillery's light character turned up to the max thanks to a mix of American oak, red wine casks, and a smidgen of sherry.

Think of hyacinth, ultra-fresh William pear, light barley, and grass. Zesty, clean and light, and ridiculously drinkable with a silky feel in the middle of the tongue.

Quite a bargain. (*Travel Retail exclusive.*) £39/1 liter
