

**Lombard Jewels of
Scotland (distilled at
Springbank) 21 year
old 1991 Cask No. 172**

49.7%

Aged in a bourbon hogshead, allowing the distillery character to shine through. Fresh, lively and inviting (especially for its age), with a complex array of tropical and summer fruit, peppered with brine, vanilla, and a hint of baker's chocolate. An oily texture adds weight. Dry, deliciously appetizing finish. An excellent aperitif whisky, but enjoyable anytime. (*D & M Wines and Liquors exclusive.*)
