

Wemyss Malts Salted Caramels (distilled at Glen Scotia) 1991

46%

Just 279 bottles of this 22 year old single cask Glen Scotia have been released by Wemyss Malts, with maturation taking place in a bourbon cask. Fleetingly, very sweet, crunchy apples on the nose, then caramel, milk chocolate, sherbet dips, plus a hint of brine. The palate is sweet and peppery, with spicy toffee, grapefruit, melon, and walnuts. The finish is medium in length, spicy, with table salt in the tail. £90
