

**Berry's Own Selection
(distilled at Jura) 1976**

55.1%

This expression of Jura is by leading London wine and spirits merchant Berry Bros. & Rudd, and was bottled in the company's Berry's Own range at 35 years of age after maturation in sherry hogshead #889. The nose offers sweet sherry and caramel, sultanas, cinnamon, and rum baba, with an elusive wisp of smoke. Full-bodied, very fruity on the palate, with mixed spices, pine cones, and old sherry notes. The finish is long, nutty, and luxurious. £200
