

**Blue Hanger 8th
Release**

45.6%

This breaks Blue Hanger ranks because it's a traditional blended whisky rather than a blend of just malts. Not that you see the joins. This is a rich, powerful, clean, and crisp whisky with a delightfully balanced flavor of pureed fruits and an unusual, almost menthol quality. Smoke wanders in and out to complete the experience. (*The Whisky Shop exclusive.*)

—Vol. 22, #4
