

The Dalmore 25 year old 42%

Dalmore 25 year old comprises spirit matured initially in American oak casks, some of which is then transferred into first-fill bourbon barrels, while the remainder goes into Palomino *fino* sherry butts. The two batches are then reunited in bourbon barrels before a final finishing in tawny port pipes.

Vanilla, figs, toffee, and ripe oranges on the festive nose, while the palate features more orange, peaches, milk chocolate, and sherry. The chocolate darkens in the lengthy finish, with ginger and licorice.
