

Duncansby Head

46%

Duncansby Head has been aged in a mixture of bourbon and Spanish sherry casks. The nose is initially slightly earthy; then Old Pulteney's characteristic marine nature develops discreetly, along with icing sugar sprinkled on apple pie and a hint of roasted potato skins. The palate is smooth and chewy, with sherry making its presence felt along with cooked apples, oranges, sultanas, nutmeg, and cocoa. The finish is spicy and nicely rounded. £45/liter
