This 38 year old Travel Retail-exclusive expression has been aged in bourbon casks, and not chill filtered. It follows an initial batch of the same vintage, released in 2011. The nose is perfumed, with a resin note and developing vanilla and caramel popcorn. Demerara sugar and oak.

Very fruity on the palate, with oranges and lemons, emerging spices, and benign oak. Long in the finish, with fruity oak. The additional maturation has given the fruity elements a greater profundity. *(500 bottles)*
