

**Abraham Bowman
Gingerbread Beer
Finished Bourbon 7
year old**

45%

Aged, then finished, in Bowman barrels that held Hardywood Park brewery gingerbread stout in between. A beautifully spicy bourbon—but not aggressively so—with cinnamon, clove, and nutmeg. The spice is presented on a bed of layered sweetness (vanilla, caramel, and soft maple syrup), rounded out by subtle candied fruit and nuts. Nicely rounded, fun and easy to drink. One of my favorites so far from Bowman.
