

Jefferson's Presidential Select 25 year old

45.2%

Its age certainly shows, with a good dose of leather, tobacco, and barrel char. Sweet notes of caramel, toffee, and candied fruit try to rescue it, but ultimately fails toward the finish, leaving my mouth parched, leathery, and craving a glass of water (or a beer!). A bourbon with individuality, but it pains me to think what this could have been (or once was).
