

Centennial Spiced

35%

Sweet, heavy vanilla, powdered sugar, and dog-toothed spring violets, it smells very light with soft hints of sweet floral perfume.

What begins as viscous and creamy on the tongue suddenly becomes refreshingly bitter and loaded with hot, singeing spices. Pepper and dried candied orange peel linger while the sweetness dims. A pleasing bitter finish fades into a warm glow. Although the whisky struggles at first, it breaks through in the middle with its spices and heat. *(Canada only)*
