

Hazelburn Rundlets & Kilderkins 10 year old 3rd release

50.1%

This bottling of triple-distilled Hazelburn comprises spirit produced in 2003 and matured in unusually small casks known as rundlets and kilderkins. Malt, chocolate, and honey figure on the nose, along with a contrasting marine note in the background. Unctuous and rich on the palate, with soft fruit, almonds, brittle toffee, and lots of spice. The finish is lengthy and earthy, with caramel and vanilla notes ultimately being superseded by oak and sea salt. £60
