

**Brora 40 year old
Single Cask 1972
Vintage**

59.1%

Just 160 bottles of 1972 Brora are available through UK World of Whiskies and World Duty Free Group stores. The oldest bottling of Brora to date was distilled using heavily-peated malt. A big hit of oily peat on the early nose, with malt, dried fruit, and black pepper. Mildly medicinal. The palate yields bonfire ash, licorice, honey, more pepper, and well-integrated oak.

The finish is long, with peat smoke, plain chocolate, and tannins lingering in harmony. Complex and rewarding. £7,000
