

**Buffalo Trace
Experimental Collection
Rye 115**

45%

Smooth, with gently layered sweet notes; nicely balanced. The least amount of oak and just a peppering of cinnamon and mint influence compared to the other four releases. It's the most versatile of the four too. Not as complex as the "Rye 125", but it makes up for this with its inviting drinkability and balance. Price is per 375 ml.
