

**John McDougall's
Selection (distilled at
Bladnoch)**

15 year old, 55.8%

The only distillery-approved bottling of Bladnoch in the United States. When compared to the Gordon & MacPhail bottling above, this one isn't as sweet or creamy in texture. There's more citrus fruit and a drier, spicier finish. This one is also bolder and a bit more aggressive.

—Vol. 14, #3
