

Compass Box Orangerie

40%

Compass Box takes a fresh approach to flavored whisky by infusing Navalino oranges and spices into a blend of Highland single malt and single grain whisky. Bright and slightly bitter orange peel combines with vanilla, honey, and malt. The grain whisky gives nice support and structure along with black pepper, cinnamon, and clove spice. Great balance between the whisky and flavoring in a flavored whisky that is much more dry than sweet.

Finally, a flavored whisky to get really excited about.
