

**Douglas Laing Old
Particular 1996
(distilled at Highland
Park)**

48.4%

This 17 year old single cask (#10042) bottling of Highland Park was distilled in September 1996 and is presented non-chill filtered and with no added color in

Douglas Laing's Old Particular range. Baked cereal and peeled apples on the peaty nose, while dark, smoky notes contrast with lighter, fruity flavors on the palate, along with a sprinkling of pepper. The finish dries, with more pepper, bonfire embers, and coffee grounds. £90
