Craigellachie 19 year old 46%

Here, Craigellachie is slimmed down and appears in slightly leaner guise, with an aromatic spritz of vetiver-heavy male cologne coming across first before fresh fruits follow on. More crisp and with slightly more obvious toasted structure. The pineapple distillery character is now dried, before the palate shows sweet chocolate pudding, char, honeysuckle, herbs, and white fruits. A classy (and large) package. (*Travel Retail only*) €135/liter
