

Kilkerran Work in Progress 6 Sherry Matured

46%

The latest releases from Glengoyne distillery are 10 year olds, one matured in sherry wood and one in bourbon barrels, as was the case with release 5. 9,000 bottles are available globally.

Initially savory on the nose, slightly earthy, with sherry, new leather, lemonade, and a hint of ozone. Spicy and zesty, with developing stewed fruits, dark chocolate, and deep sherry notes on the palate. The finish is long and persistently spicy, mildly smoky, with quite dry sherry notes.

—Vol. 23, #4
