

Arran The Devil's Punchbowl III The Fiendish Finale

53.4%

The third and final expression in Arran's Devil's Punchbowl trilogy of limited releases is a multi-age bottling, matured in eight *oloroso* sherry butts, eight French oak *barriques*, and five bourbon barrels. Only 6,660 bottles are available. Figs, dates, citrus fruits, and honey on the nose, with developing savory notes. Silky sherry, lively cinnamon, and red berries on the palate, with a hint of wood smoke. Lengthy in the finish, with spicy oak.
