

**Rosebank 1992 21 year  
old (Diageo Special  
Release 2014)**

**55.3%**

Distilled in 1992, a year before Rosebank fell silent, this 21 year old expression was matured in refill American oak casks. 4,530 bottles have been released. The fragrant nose yields milk chocolate, peaches, apricots, nutmeg, and toffee bonbons. Spicy and mildly herbal on the palate, with icing sugar and a suggestion of dark chocolate. The finish is medium in length, fruity, with gentle spice, coffee, and developing oaky dryness.
