

Auchentoshan American Oak

40%

American Oak is new to the Auchentoshan core range in 2014 and is the first release from this Lowland distillery to be matured solely in first-fill bourbon casks. An initial note of rosewater, then Madeira, vanilla, developing musky peaches, and icing sugar. Spicy fresh fruit on the palate, chili notes, and more Madeira and vanilla. The finish is medium in length, and spicy to the end.
