

Hiram Walker Special Old Rye

40%

Balance makes this simple session whisky a well-loved hot Sunday sipper, while searing pepper and vanilla-rich butterscotch lend it well to mixing. Order rye and ginger in a bar in Canada and you may well find yourself savoring Special Old. Toffee with hints of ginger on the nose broaden into blazing chilies with notes of cloves and cinnamon. Soft barrel notes, damp earth, and sweet toffee segue neatly into a very long, hot, bitter, cleansing finale. (*Canada only*)
