

Celtic Cask Ceathair

46%

Originating from Cooley distillery, this whiskey spent a decade in a first-fill bourbon cask before a period of extra maturation in a Vinhos Barbeito madeira cask, and the influence is unmistakable on the nose. Additionally, there is vanilla icing, brown bananas, sprigs of wild mint, and a savory note of smoked duck. It's a soft, buttery experience with honey, mandarin, guava, banana, and light spices. Dry, short, sweet finish but the Madeira tips the balance. (377 bottles) €125
